

22,126

The total authorised level of uniformed personnel (Police and Military) in AMISOM

APF

African Peace Facility

APF's financial support to AMISOM is an integral part of EU's comprehensive and long-term approach to support security and development efforts in Somalia. This EU approach contains political, diplomatic, civilian, military, humanitarian and development dimensions. The APF is the key EU financial instrument to support cooperation with Africa in the area of Peace and Security (Africa – EU Partnership)

1 billion

The total amount in Euros that the European Union through the African Peace Facility has given to AMISOM to date. The total APF commitment to AMISOM, from the start in 2007 up to May 2015, amounts to €865.5 million, making the EU one of AMISOM's biggest donors.

USD 1,028

The amount paid to one AMISOM soldier by the EU under the African Peace Facility (APF). APF support to AMISOM covers allowances for all AMISOM troops, salaries/allowances for the police component of the mission, international and local civilian staff salaries, as well as operational costs of mission.

The percentage of South Central Somali currently liberated and under the control of AMISOM in support of the Somali National Army.

9

YEARS
